ROSTIVO / SAMPLE RESOURCE

# Monthly content plan

A practical example of how social-media topics can be structured without random posting.

**4 WEEKS**
We tailor it to your services,nseason and factual source material.

**IMPORTANT:** This is not a ready universal calendar or a real client example. Before publishing, we verify facts, source materials and your final approval.

## ONE MONTH AT A GLANCE

**WEEK 1 · TRUST**
### Show specific work
Show a service, process or delivery detail. Explain what the customer actually receives.

**WEEK 2 · CLARITY**
### Answer a common question
One practical question before an enquiry — with no shortcuts or unverified claims.

**WEEK 3 · BEHIND THE SCENES**
### Show the process
Preparation, materials, team or decisions. Use only what can genuinely be shown.

**WEEK 4 · NEXT STEP**
### Restate the offer
Clearly connect the service, the right customer and one simple contact or next step.
